PROFILE

Graphic & web designer with 6 years of experience across print, branding and digital campaigns. I chose design because analytics and creativity are equally close to me — and I like using both to turn a brief into work that helps people understand a brand and remember it.

EXPERTISE

- Brand & visual identity
- Flyers, posters & packaging
- Gift certificates & business cards
- Social & ad creatives
- Outdoor signage & banners
- Web & UI / visual design
- Print-ready file preparation

TOOLS

Adobe Illustrator · Photoshop · InDesign · Figma

STRENGTHS

- Analytical, brief-driven approach
- Strong typographic & layout sense
- Reliable print production
- Vendor & contractor coordination

EXPERIENCE

N1 Partners — 2022 – Present

UI / Visual Designer

- Design mobile application and game interfaces, including UI elements and in-product visuals.
- Produce marketing visuals in close collaboration with product managers and developers.
- Maintain visual consistency across components and screen sizes.

iFactory3D — 2021 – 2022

Web & Visual Designer

- Led end-to-end design for social media campaigns and digital ads with performance goals.
- Created print materials — flyers, banners and trade-show collateral — aligned with digital branding.
- Designed responsive web interfaces for B2B and e-commerce products.

Unisail — 2019 – 2020

Graphic Designer

- Delivered marketing and campaign visuals for both digital and print channels.
- Developed digital ads, social posts and outdoor signage with external vendors.
- Handled production from brief to final files, liaising with printing houses.

Moda Max · Freelance — Earlier

Graphic Designer

- In-house and freelance graphic design for retail brands — posters, social ads and promotional materials.
